

BEEKEEPING COURSES

1 Day “Introduction to Beekeeping”.

Designed for complete novices and those with an interest in bees. It is especially useful for those thinking of taking up beekeeping but wish to find out more before committing.

£85.00 per delegate. Discount for couples.

2 Day “Beekeeping for Beginners” .

This course aims to provide all you need to know to become a proficient beekeeper, and provides hands-on experience with knowledgeable support and guidance to raise your confidence in handling bees.

£160 per delegate. £85 for second day only. Discount for couples.

Costs include morning and afternoon refreshments and a light lunch.

With over 30 years of beekeeping experience, and 10 years of bee breeding and selling, we are committed to sharing our passion for bees.

Courses are held at our apiary on the Norfolk/Cambridgeshire border near the beautiful Georgian town of Wisbech.

Why not come for a long weekend and enjoy exploring the productive Fenlands with its many orchards, visit N.T. Peckover House and beautiful old Kings Lynn, or venture further afield to Sandringham, or the North Norfolk coast with its many bird-watching haunts.
